"Come, come see how he flies in the air, making himself pure, making his subjects pure!" He drew Otter to the edge of the roasting pit. His eyes shone in the flare and dazzle of the flames. "Evil spirits that work for the King become clean," he said, his lips close to Otter's ear. "As they slaver, the dross and stains flow out of them. Illness and impurities fester and run free from their sores. And then when they're burned clean at last they can fly up, fly up into the Courts of the King. Come along, come along, up into his tower, where the dark night brings forth the moon!". knowing. I preferred not to ask, so I turned away. A wizard, as Halkel defined the term, was a man who received his staff from a teacher, himself a wizard, who had taken special responsibility for his training. It was usually the Archmage who gave a student his staff and made him wizard. This kind of teaching and succession occurred elsewhere than Roke - notably on Paln - but the Masters of Roke came to regard with suspicion a student of anyone not trained on Roke. black cars -- he yawned, one step away, in the dark cavern there was a flash of fangs, he shut his. think that he had come as near to Morred's Isle as he would ever come, Medra stayed a while longer. in something that shone like phosphorized metal. Why is it so? Are all women incapable of understanding? Or is it that the Masters fear them, fear to be corrupted - no, but fear that to admit women might change the rule they cling to - the ... purity of that rule." out inquiries, in the ways we have of doing so, but nothing and nobody replied. So we set off. Tinaral's vision, mystic silvery runes on high branching columns. It was only the earth, only. Early looked at him once. Hound's mouth snapped shut and stayed shut. "One can do a heap of things," she said. "One can travel, actually or by moot. One can." There was no place for him among the Masters, since a new Master Summoner had been chosen, a strong man in his prime, not likely to retire or die. Among the scholars and other teachers he had a place of honor, but he wasn't one of the Nine. He'd been passed over. Maybe it wasn't a good thing for him to stay there, always among wizards and mages, among boys learning wizardry, all of them craving power and more power, striving to be strongest. At any rate, as the years went on he became more and more aloof, pursuing his studies in his tower cell apart from others, teaching few students, speaking little. The Summoner would send gifted students to him, but many of the boys there scarcely knew of him. In this isolation he began to practice certain arts that are not well to practice and lead to no good thing. boy set his will on the great and dangerous art of summoning. And he studied with the Master of. Her apparition stood again just outside the spiderweb cords of the spell, gazing at him, and seeing him, for a soft, bluish, sourceless light filled the room. He stopped to listen, and heard nothing. The history of the Fourteen Kings of Havnor (actually six kings and eight queens, ~150-400) is told in the Havnorian Lay. Tracing descent both through the male and the female lines, and intermarrying with various noble houses of the Archipelago, the royal house embraced five principalities: the House of Enlad, the oldest, tracing direct descent from Morred and Serridh; the Houses of Shelieth, Ea, and Havnor; and lastly the House of Ilien. Prince Gemal Seaborn of Ilien was the first of his house to take the throne in Havnor. His granddaughter was Queen Heru; her son, Maharion (reigned 430-452), was the last king before the Dark Time.
