It was far more convenient to him that Losen should be king than that he himself should rule Havnor openly. Men of arms didn't trust men of craft and didn't like to serve them. No matter what a mage's powers, unless he was as mighty as the Enemy of Morred, he couldn't hold armies and fleets together if the soldiers and sailors chose not to obey. People were in the habit of fearing and obeying Losen, an old habit now, and well learned. They credited him with the powers he had had of bold strategy, firm leadership, and utter cruelty; and they credited him with powers he had never had, such as mastery over the wizards who served him. was lucky. I learned my lesson young. Gelluk's white face had gone whiter; his jaw trembled a little. He stood up, suddenly, as he always did. "Take me there," he said, trying to control himself, but so violently compelling Otter to get up and walk that the young man lurched to his feet and stumbled several steps, almost falling. Then he walked forward, stiff and awkward, trying not to resist the coercive, passionate will that hurried his steps. "This way, this way," Gelluk murmured. "No harm will come to you." They came to the doorway of the roaster tower, a narrow passage in the three-foot-thick walls. Nor you from me," and he laughed, not threateningly, but with pleasure. He gazed at Otter again, his large, white face smooth and thoughtful. "Powers you have, yes, all kinds of little traits and tricks. A clever lad. But not too clever; that's good. Not too clever to learn, like some... I'll teach you, if you like. Do you like learning? Do you like knowledge? Would you like to know the name we call the King when he's all alone in his brightness in his courts of stone? His name is Tures. Do you know that name? It's a word in the language of the Allking. His own name in his own language. In our base tongue we would say Semen." He smiled again and patted Otter's hand. "For he is the seed and fructifier. The seed and source of might and right. You'll see. You'll see. Come along! Come along! Let's go see the King flying among his subjects, gathering himself from them!" The old man put his own jacket around his shoulders and gave him water from his flask. Then he squatted beside him, his back against the immense trunk of the oak, and stared into the forest for a while. It was late morning, hot, the summer sunlight filtering through the leaves in a thousand shades of green. A squirrel scolded, far up in the oak, and a jay replied. Hound scratched his neck and sighed..Witchery was restricted to women. All magic practiced by women was called "base craft," even when it included practices otherwise called "high arts," such as healing, chanting, changing, etc. Witches were to learn only from one another or from sorcerers. They were forbidden to enter Roke School, and Halkel discouraged wizards from teaching women anything at all. He specifically forbade the teaching of any word of the True Speech to women, and though this proscription was widely ignored, it led in the long run to a profound, long-lasting loss of knowledge and power among the women who practiced magic..
