Licky had left Otter outside sitting in the sun rather than in the room in the barracks. Otter was grateful to him. The prisoning spell was still there, yet it had no power over him now. He could walk into it and out of it as if it were mere lines painted on the floor. Gratitude for this freedom beat in him as steady as his heartbeat.."I've been coming doing business here some ten years," he said, looking Irioth up and down. "Anieb," he said, "can you come back this far? I don't know the way." He waited a while. He saw darkness, heard silence. Slow and halting, he entered the passage..Young King or The Deed of Morred.."Have you ever kept goats?" Dulse asked, in the same soft, polite voice.."What is it - what is it like - on Roke?".Berry ducked his head and muttered. His eyes were dull. It seemed to Irioth that the man had been poisoned. When Berry went out again, the woman came closer and said, resolute, in a low voice, "There's no harm in him but the drink, but there's not much left of him but the drink. It's eaten up most of his mind, and most of what we have. So, do you see, put up your money where he won't see it, if you don't mind, sir. He won't come looking for it. But if he saw it, he'd take it. He often doesn't know what he's doing, do you see..".And it was useful knowledge," Tern said. Her room was behind the chimney. Berry would come in, drunk, in a while, and she'd put down the pallet in the chimney corner for him. Let the traveler have a good bed for a night. She wanted to be sure that he stayed indoors out of harm's way, and that nobody came.He pondered. All the time he was with Gelluk, he had tried to learn from him, tried to understand what the wizard was telling him. Yet he was certain, now, that Gelluk's ideas, the teaching he so eagerly imparted, had nothing to do with his power or with any true power. Mining and refining were indeed great crafts with their own mysteries and masteries, but Gelluk seemed to know nothing of those arts. His talk of the Allking and the Red Mother was mere words.
