They saw the Rule of Roke established, though never so firmly as they might wish, and always against opposition; for mages came from other islands and rose up from among the students of the school, women and men of power, knowledge, and pride, sworn by the Rule to work together and for the good of all, but each seeing a different way to do it..Her breath stuck in her throat. He gave her the half of the Ring of Peace that remained to him. (From her it passed through her descendants for over five hundred years to the last heirs of Thoreg, a brother and sister exiled on a deserted island of the East Reach; and the sister gave it to Ged.) Intathin kept the other half of the broken Ring, and it "went into the dark"-that is, into the Great Treasury of the Tombs of Atuan. (There Ged found it, and rejoining the two halves and with them the lost Rune of Peace, he and Tenar brought the Ring home to Havnor.)..had the gift for it, taught. "He is dead," he said. "The breath will not leave him, but he is dead." So we mourned him. Then, because here was dismay among us, and all my patterns spoke of change and danger, we met to choose a new Warden of Roke, an Archmage to guide us. And in our council we set the young king in the Summoner's place. To us it seemed right that he should sit among us. Crow watched his companion with amusement and some disdain; he himself could bargain for a book very shrewdly, but nattering with common women about buttons and thread was beneath him. "Let me just open this up," Tern was saying as he spread his pack out on the cobbles, and the women and the dirty, timid children drew closer to see the wonders he would show them. "Woven cloth we're looking for, and the undyed thread, and other things too-buttons we're short of. If you had any of horn or bone, maybe? I'd trade one of these little velvet caps here for three or four buttons. Or one of these rolls of ribbon; look at the color of it. Beautiful with your hair, mistress! Or paper, or books. He spoke in the Old Speech, the Language of the Making. "Come along, then, Ulla," he said, and the heifer came a step or two towards him, towards her name, while he walked to meet her. He made out the big head more by touch than sight, stroking the silken dip between her eyes, scratching her forehead at the roots of the nubbin horns. "Beautiful, you are beautiful," he told her, breathing her grassy breath, leaning against her large warmth. "Will you lead me, dear Ulla? Will you lead me where I need to go?" "Stay with me," he said, and did not know who he spoke to. He was frightened, and did not know what he was frightened of. The wizard, the power, the spell... It was all darkness. But in his body, not in his mind, burned a knowledge he could not name any more, a certainty that was like a tiny lamp held in his hands in a maze of caverns underground.
