So he took the crown himself. And some say that's wrong, and he doesn't rightly hold the throne. But others say the king himself is the new Archmage. But he isn't a wizard, only a king. So others say the dark years will come again, when there was no rule of justice, and wizardry was used for evil ends."..from Enlad to help her. She was never ill-natured. She seldom thought to do anything much for her daughter, but never hurt her, never scolded her, and gave her whatever she asked for, dinner, a toad of her own, the amethyst necklace, lessons in witchcraft. She would have provided new clothes if Rose had asked for them, but she never did. Rose had looked after herself from an early age; and this was one of the reasons Diamond loved her. With her, he knew what freedom was. Without her, he could attain it only when he was hearing and singing and playing music..power if I cannot use it? And he was, though he wouldn't have put it that way, afraid of wizards. A bit contemptuous of sorcerers, with their sleights and illusions and gibble-gabble, but afraid of wizards.."If you'd like to come with me, she lives this way.
